

ABOUT THE MEMORIAL

On May 30, 1925, Mabel Wagnalls Jones dedicated The Wagnalls Memorial in honor of her parents, Adam and Anna Willis Wagnalls. Adam was the co-founder of the publishing giant, Funk & Wagnalls. Both Adam and Anna were born in log cabins in Lithopolis, Ohio. Mabel knew it had always been Anna's dream to do something for the little village which had never had anything done for it and to provide opportunities not available to her as a child. With the building of The Wagnalls Memorial, Mabel would fulfill her mother's dream.

At the dedication, as Mabel was giving the deed to the town, she said, "Now this is our deed and I hand it over with no admonishments at all, because I know you will guard our building and use it wisely. My only hope is in using it you will find as much joy as I have found in giving it."
